

MAZAK U.S. FACTORY-DIRECT LEASING PLANS

Quick approvals, hassle-free and low-cost financing on Mazak equipment

For orders received and credit approved during **June 2022**, Mazak Corporation proposes the following **five-year** leasing plans for all new Mazak machines for U.S. customers. For quoting purposes only please see below options:

A. Lease Purchase (Capital Lease) – \$1.00 purchase option:

30 Days First Payment, **\$1,926 per \$100,000 of Machine Cost, Factor: 0.01926**

90 Days First Payment, **\$1,943 per \$100,000 of Machine Cost, Factor: 0.01943**

6.52% reflects monthly-in-arrears rents. Customer gets depreciation deduction.

Assumes three Advance Rents to be deducted from the machine deposit.

B. True Lease (FMV Lease) - Purchase option is fair market value at end of term:

30 Days First Payment, **\$1,638 per \$100,000 of Machine Cost, Factor: 0.01638**

90 Days First Payment, **\$1,655 per \$100,000 of Machine Cost, Factor: 0.01655**

Offers the lowest monthly payment. Lessor gets depreciation deduction.

Assumes three Advance Rents to be deducted from the machine deposit.

C. Loan:

30 Days First Payment, **\$1,953 per \$100,000 of Machine Cost, Factor: 0.01953**

90 Days First Payment, **\$1,971 per \$100,000 of Machine Cost, Factor: 0.01971**

6.42% Rate on the Loan. Customer gets depreciation deduction.

These payments reflect current interest rates for leases/loans that are credit approved and transaction documents returned from Customer by 6/30/2022; however, the **payments may be adjusted at time of machine acceptance/lease or loan commencement to reflect the current interest rates.**

****Machine deposit is required with order to hold machine. If 100% financing is approved, the deposit will be refunded to customer once Mazak is paid in full for the equipment (at funding).**

Credit Approval: For faster approvals please fill out our on-line credit application. Link below:

<https://www.mazakusa.com/financing/online-application/> .

Pricing for companies with under 3 years of same ownership, or companies that do not qualify for traditional financing sources, may be adjusted accordingly.

The appropriate **Advance Rents or Down Payment and \$400 Documentation Fee may be deducted from a machine deposit you have made, with the balance of the deposit being returned to you after the financing commences.**
