   90 Days First Payment, $1,493 per $100,000 of Machine Cost, Factor: 0.01493

   Offers the lowest monthly payment. Lessor gets depreciation deduction.

   Assumes three Advance Rents to be deducted from the machine deposit.

C. Loan:
   30 Days First Payment, $1,867 per $100,000 of Machine Cost, Factor: 0.01867
   90 Days First Payment, $1,879 per $100,000 of Machine Cost, Factor: 0.01879
   4.56% Rate on the Loan

   These payments reflect current interest rates for leases/loans that are credit approved and transaction documents returned from Customer by 01-31-2020. However, the payments may be adjusted at time of machine acceptance/lease commencement to reflect the current interest rates.

   **10% machine deposit is required with order to hold machine (some models are 20%). If 100% financing is approved, the deposit will be refunded to customer once Mazak is paid in full for the equipment (at funding).

   Unlike many Banks/Leasing Companies – no security deposit or interim rent are charged under these plans.

Credit Approval: For faster approvals please fill out our on-line credit application. Link below:
https://www.mazakusa.com/financing/online-application/. Pricing for companies with under 3 years of same ownership, or companies that do not qualify for traditional financing sources, may be adjusted accordingly.

The appropriate Advance Rents or Down Payment and $400 Documentation Fee may be deducted from a machine deposit you have made, with the balance of the deposit being returned to you after the financing commences.
