FEATURED  
MACHINES

## FG-220 DDL & VCN-530C

### FG-220 DDL

- The new DDL version enhances productivity by over 20%
- 3D laser cutting of long round / square / rectangular pipe, as well as H, I and L beams
- No laser gas required
- Energy / running costs are reduced with less resonator and chiller unit consumption

[FIND OUT MORE >>](#)

### VCN-530C

- Reduced cycle times due to high speed feedrate
- Unique Mazak heat compensation system - INTELLIGENT THERMAL SHIELD
- Two front doors providing a wide opening and a large window for monitoring of machining
