

Sample **MTConnect** Maintenance Dashboard

Monitor up to TWO (2) machines for free

*\* Requires Windows 7 or later.*

Email [mtconnect@mazakcorp.com](mailto:mtconnect@mazakcorp.com) for more information and your free copy.

Designed as a MTConnect start up package for shop floor level support. Maintenance personnel can see machine health with a quick glance. Color coding changes with Severity levels.

*This App does NOT do Calculations! Live snapshot of machine health only.*

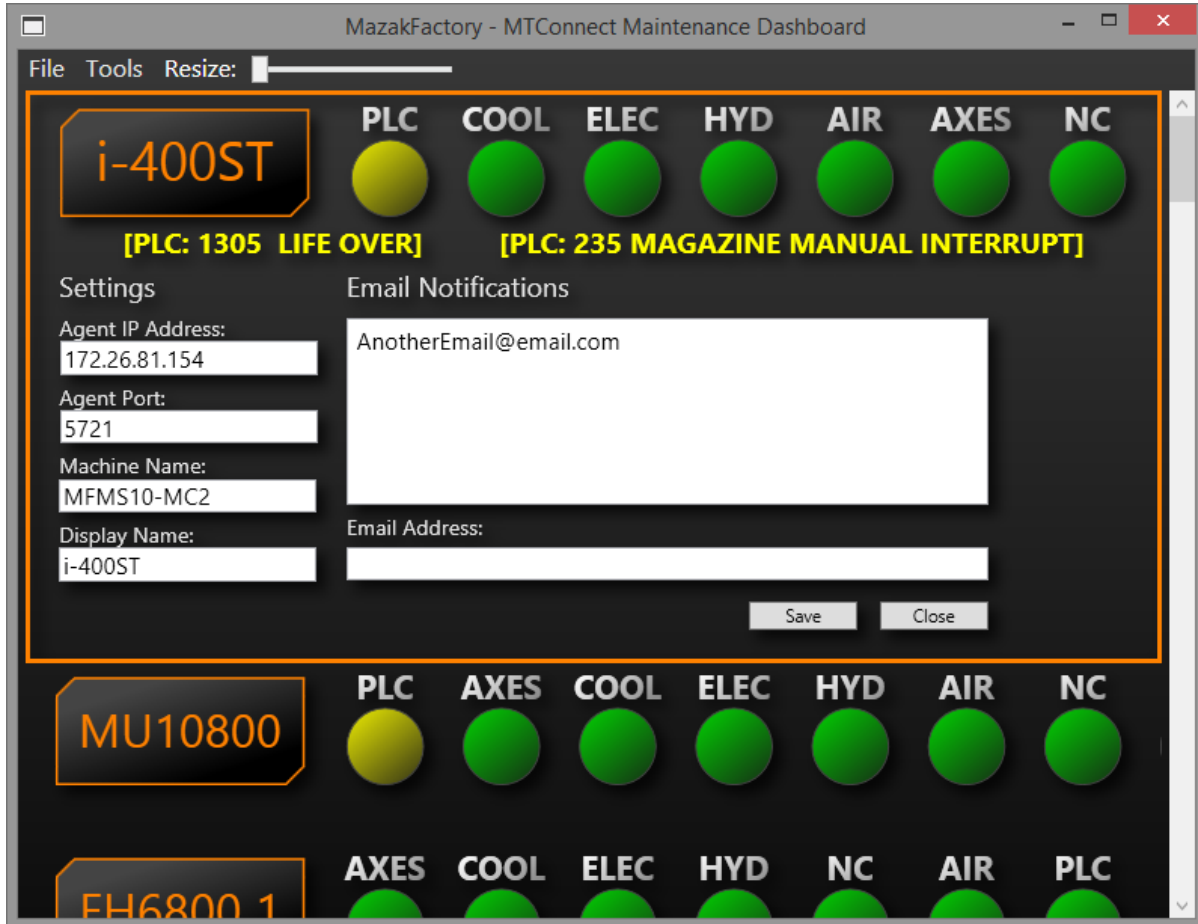

For a full working copy (license), you can request a quotation from [pparts@mazakcorp.com](mailto:pparts@mazakcorp.com).

Limitation for maximum # of machines is based on visibility of data and system resources.

Mazak USA Part# CCWMPD0630E

# Sample **MTConnect** Maintenance Dashboard

Right click on a machine window to manage settings.

Save your machine list for easy access on future sessions and quick start up.

Supports EMAIL notifications!
