Offering productivity-enhancing solutions, Mazak's flagship INTEGREX range of machines are fundamental for many of our sub-contractor customers, especially within the Energy, Automotive and Aerospace industries.

Take a look at both the INTEGREX i and j series to find out how these machines could help your business further!

AUTOMATION EVENT

automation

A big THANK YOU to all our customers and partners who attended our Automation Event recently and made it such a success.

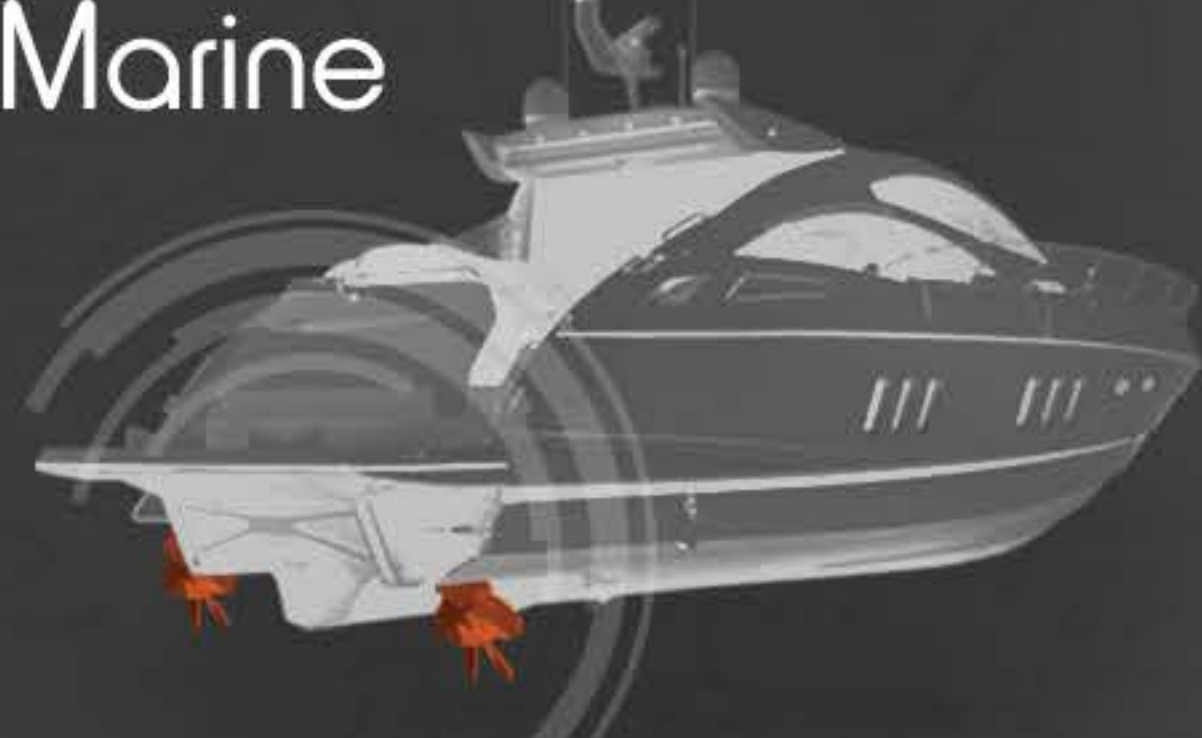

It was great to see so many guests learning how automation can help make their business more efficient.

Didn't get to visit the event? No problem, you can arrange a dedicated, individual visit by contacting our Sales Department: sales@mazak.co.uk

See one of our guest speakers from the event talking to MTD CNC.
